

Housekeeping Services during COVID-19

Dear Valued Guest,

Bushtime at Mabula is making very effort to assist in containing COVID-19.

Social distancing and self-isolation are strongly recommended and have been shown to aid in curbing this pandemic.

For this reason, we ask that you consider limiting the days that you receive Housekeeping services. By doing this, both you, our guest, and our staff will be protected by limiting contact with the Housekeepers that perform working in various units every day.

Please clearly mark the block below the dates that you require service with an "X".

Please note that on days that you do not select service, we will happily supply additional dishwashing liquid, toilet paper and rubbish bags.
